Faith Harbor Kitchen Facilities

This is a reminder to all groups and users of the kitchen that the requirement to complete the Kitchen Check Sheet must be complied with in order to keep our kitchen equipment and appliances clean and sanitary.

Since February, there have been several functions, but the Check Out Sheets were not completed , or forgotten or simply ignored!
NO ONE IS EXEMPT

Individual users, please do not leave any utensils in sinks, no food left on counters use re-cycle bins for plastics and glass.

We are in the process of re-labeling cabinets to better assist in putting equipment in the right place which makes it easy for the next group to know where to store items. Some cabinets are marked for our Children/Youth Ministries, please respect the contents, it is not for general use.

The Stoves were cleaned completely and new drip pans installed the first week of March, cleaning instructions are posted above the stoves.

The Refrigerator was recently serviced; however corrugated boxes of drinks cause the compressor to work overtime. Please use coolers for special events.

Friday will be clean out day for unmarked/undated foods and expired drink containers. It is important to take care and maintain our 14 year old appliances to last until we build a new facility.

"Sorry, we cannot afford to employ maid service , plus your mother does not live here"
