

MESSENGER JUNE 17, 2020

Dear Faith Harbor Family and Friends,

I am writing this from our son Greg's home in Austin, Texas, where Kim and I have come to take care of our three-year-old grandson Hugo while our daughter-in-law Tracey gives birth to our granddaughter. We have been getting Hugo's routine down, and everyone is now ready for the little girl to arrive, except, it seems, for the little girl! Tracey will be induced on the 24th if the baby does not come before then. We will notify you when she arrives!

Kim and I are very grateful for the opportunity to share in this joyous time in the life of our family. We appreciate very much all who are filling in for us while we are away, and all who are keeping the ministries of our church going strong. Rev. Dr. Alan Sasser will be preaching the message this week for our online worship service. A decision will be made later in the week regarding the outdoor service Sunday morning.

I have decided to postpone until July 1st the Bible study on Ruth that was scheduled to start tonight. I will provide more details about that study when Kim and I return to Surf City.

I know that many of you are praying for Jim Graziano. Faye notified me that Jim received an antibody plasma treatment and an immunosuppressant drug last night. Please pray that those treatments will have the intended effect, and that Jim will recover fully from this illness. Please pray also for Dave Strohpaal, who is experiencing severe back pain, and Alma Osborn, who is have a pacemaker inserted tomorrow. The names of other persons on our prayer list can be found elsewhere in this Messenger.

Thank you for your faithfulness in praying for one another and for all of your support and encouragement to me and Kim. We are exceedingly blessed to be a part of the loving, gracious, kind, generous and faithful church family at Faith Harbor.

Peace and blessings,

Pastor David

THRIFT STORE NEWS

This is an appeal to our church family for young girls summer wear as our shelves are bare for 3 year old to 8 year old girls. **NO ADULT CLOTHING PLEASE.**

Problems that plague our operation: We have had numerous things dropped on the Store porch/Warehouse porch and some donations put inside the Warehouse that are totally unacceptable, some is trash, rusty pans, chipped/cracked dishware, and damaged furniture pieces that are unsafe, etc. Also, items such as electronics/exercise equipment that we do not accept.

We appreciate all donations but we have been overwhelmed with items that need repaired or trashed, therefore the access code to **Warehouse will be changed**. Appointments must be made for all donations and furniture. Also, note that Sherry Mewborn **(910)526-2673** (corrected phone number) will be at Warehouse on Mondays from 9AM to 11PM to accept donations or will make **an appointment for donors**.
