Greetings in the name of our Lord Jesus Christ!

I am excited to announce our *plans to return to in-person worship in our Sanctuary this Sunday, August 16th.*

The leadership of our church has developed the following protocol and precautions to ensure maximum safety for all who come to worship with us.

- We will have just one service for the time being, at 9:20 AM.
- Everyone who does not have a role in leading worship will be expected to wear a mask throughout the service.
- We will sing!
- Extra masks will be available at the door.
- There will be several hand-sanitizing stations.
- Upgraded filters will be installed in our HVAC system.
- Everyone who enters will have their temperature taken with a forehead thermometer. Anyone with a fever or other symptoms of COVID-19 will not be able to enter.
- Everyone who enters will be asked to provide their name and phone number so that we can notify each person in the event of a need for contact tracing.
- Every other row of chairs will be removed to ensure social distancing practices and to maintain 50% occupancy restrictions.
- Chairs will be disinfected before each service.
- Family groups may sit together; otherwise social distancing of no less than 6 feet is expected.
- There will be no bulletins or hymnals.
- The “passing of the peace” will be without physical contact.
- There will be no Sunday school classes, children’s programs or other small group meetings. Only the sanctuary will be disinfected and utilized.
- There will be no receiving line or congregating in the building after worship. Worshippers will be asked to exit the building as soon as the service is over and will be encouraged to use the doors at the end of both hallways in addition to the main front door to avoid congestion at the front door.
- Persons are welcome to greet one another after the service in the parking lot or under the portico, but please do not block the exit path of those who are still leaving the building.

We will continue to provide an online worship experience for those who are not yet ready or able to worship in the Sanctuary. We are moving forward with the installation of live-streaming equipment. I hope you will plan to join us for in-person or virtual worship this Sunday!

Peace and blessings,

Pastor David

To our Faith Harbor church family:

Words simply cannot express our gratitude for the love, prayers, cards, phone calls, and meals that have been delivered to our family during our struggle with Covid 19. You folks continue to go the limit on helping us through a very difficult time. And the "Welcome Home" reception we found on our lawn when Jim was released from the hospital was a wonderful statement of all of the above. Thank you from the bottom of our hearts.

SHARE THE TABLE NEEDS....Back in Feb. we started different groups Adopting A Shelf at Share the Table and **Faith Harbor is to do condiments.** We need donations of ketchup, mustard, mayo, salad dressings, oils, sugar, flour etc. Bring them to the church or STT location.

Thanks, Dawn Ellis

ANNOUNCEMENTS

Finance Report for July 2020 and Year to Date Totals

July contributions	\$29,138.95 including \$7,621.50 on line
Year to Date Contributions	\$209,971.45
Year to Date Budget	\$251,961.15

For those of you who were unable to view the online service or attend the in person service on 8/2/2020 we have a \$2,000 matching challenge for the month of August for donations to the live streaming equipment. The equipment has been ordered and hopefully will be operational in 4-6 weeks. It doesn't seem like it now but cold weather will soon prevent us having an outdoor service.

For any questions on the finance report contact Dale Osborn or Martha Vaughn

We Need Your Vote!

HORNE LLP, one of the top CPA and business advisory firms in the nation, has selected our organization to participate in its HORNE \$20K in '20 charity vote. HORNE is a decidedly different firm that is changing expectations of the accounting profession

and steering clients through uncertainties and opportunities ahead. One of our previous clients now works for HORNE LLP and has nominated us for the HORNE \$20K in '20 contest! This is a fundraising competition for non-profits who have been affected by COVID-19.

A public vote will be held online August 10-30th and the winning charity will win \$20,000. But there's more! Second place receives \$10,000 and third place, \$5,000.

YOU CAN VOTE 1 TIME DAILY at hornellp.com/20in20/

August 10-30th

When the site opens-find the icon for Share the Table and proceed to vote. It will ask for your e-mail address to confirm your vote and for them to keep track of only 1 vote per day.

Tell your friends about this and ask them to vote as well.

NEW BOOK STUDY

We will be starting a new book study using the book, "What Happens When Women Say Yes to God" by Lisa TerKeurst.

We will begin on August 27th at 6:30 pm via Zoom.

If you are interested in joining, please let me know. Please read the first three chapters for our first meeting. Looking so forward to this study!

Blessings,
Kim King

CENTERING PRAYER GROUP WILL NOW MEET ON THURSDAY MORNINGS AT 9:00AM IN THE SANCTUARY.

BE SURE TO WEAR YOUR MASK.

SEE YOU TOMORROW.

A new program is coming to Faith Harbor - **FAN (Faith, Activity and Nutrition)**.

Kim King has completed the online training from the University of South Carolina and will be bringing the program into the life of our church. The **FAN** program is designed to help churches create a healthy church environment that supports physical activity and healthy eating. **FAN** is not an exercise program or a cooking class. Instead, the goal of **FAN** is to reach the entire congregation by creating a church environment where members regularly see and hear health messages and have healthier options available. **FAN** will encourage us to increase physical activity and healthy eating using four key strategies:

- Increase opportunities for physical activity and healthy eating in the church setting (e.g. tasty, healthy meals & snacks for church events)
- Create healthy church guidelines and practices
- Keep the Pastor engaged and excited about FAN goals
- Get health messages out to church members through familiar channels (e.g., bulletin inserts, announcements, messages during worship service)

Be looking for more information in the weeks and months to come!
