

MESSENGER AUGUST 5, 2020

Pastor David will have news next Wednesday on the results of the survey that was sent out last week about ideas for resuming worship in the Sanctuary. He will also update you on the status of the live streaming of services in the future. Meetings have been held to review the live streaming procedures and people have been put in charge of working out the details. So watch for updates next Wednesday on the status of worship indoors and eventually live streaming.

It is so exciting and thanks to all who have completed the survey (if you have not done the survey yet so ahead and send it this week) and those that have contributed to the fund to purchase the equipment for live streaming.

Thank you so very much for your support of this important ministry to our community!

A new program is coming to Faith Harbor - FAN (Faith, Activity and Nutrition).

Kim King has completed the online training from the University of South Carolina and will be bringing the program into the life of our church. The **FAN** program is designed to help churches create a healthy church environment that supports physical activity and healthy eating. **FAN** is not an exercise program or a cooking class. Instead, the goal of **FAN** is to reach the entire congregation by creating a church environment where members regularly see and hear health messages and have healthier options available. **FAN** will encourage us to increase physical activity and healthy eating using four key strategies:

- Increase opportunities for physical activity and healthy eating in the church setting (e.g. tasty, healthy meals & snacks for church events)
- Create healthy church guidelines and practices
- Keep the Pastor engaged and excited about FAN goals
- Get health messages out to church members through familiar channels (e.g., bulletin inserts, announcements, messages during worship service)

Be looking for more information in the weeks and months to come!

"Therefore, whether you eat or drink, or whatever you do, do all to the glory of God."
I Corinthians 10:31 (NKJV)

SHARE THE TABLE NEEDS....Back in Feb. we started different groups Adopting A Shelf at Share the Table and **Faith Harbor is to do condiments**. We need donations of ketchup, mustard, mayo, salad dressings, oils, sugar, flour etc. Bring them to the church or STT location.

Thanks, Dawn Ellis
