

## MESSENGER SEPTEMBER 11, 2020

Greetings in the name of our Lord Jesus Christ!

This Sunday we will begin live-streaming our 9:20 worship service. This means that if all goes well, we will no longer have the need to pre-record the services that we have been providing on our website every week since the pandemic began.

***From now on, if you tune in through our website at 9:20, you will be able to watch the services as they happen ...*** which makes all of us who have a part in leading the services a little bit nervous! The live-streamed services will also be archived, or saved, on our website, so you will still be able to watch them even if you were not able to tune in at 9:20.

I am very grateful to be able to report that we met and exceeded the \$2000.00 matching fund campaign for the live-streaming equipment. We now have only about \$3000 to completely pay for this equipment, which was an unbudgeted expense.

COVID led us to do what we would have needed to do in the not too distant future, and perhaps should have already done. We believe that this live-streaming equipment will allow us to reach others for Christ in ways we were not able to do previously, and it will serve us well, long after the pandemic is over. Donations will continue to be accepted until the equipment is paid in full. Thank you very much for the many of you who have already donated.

May grace and peace be multiplied to you in the knowledge of God and of Jesus his Son.

Pastor David
