

## MESSENGER NOVEMBER 6, 2020

Greetings in the name of our Lord Jesus Christ!

These are days that are filled with waiting. We are waiting for the election results to be officially finalized. We are waiting for the pandemic to come to an end. We are waiting to be able to see our loved ones. Some of us are waiting for the results of job interviews, or medical procedures. I could go on. We seem to be waiting for many things.

As Christians, these things and others we might be waiting for pale in significance when compared to our waiting for the fulfillment of the promise of Jesus Christ who said to his followers, "I will come again." Ever since Jesus uttered those words, Christians have waited for his return. Nearly every Christian I know has wondered, in light of the condition of our world, how much longer Jesus can possibly wait before coming again!

This Sunday in worship we will consider two Scripture readings. One is a portion of a letter to Christians who feared that Jesus had not come *soon enough* to save their loved ones who had died. The other is a cautionary tale from Jesus for those who might not be prepared for him when he comes *sooner* than they expect. I hope you will join us in worship this Sunday, either in person or virtually, for some encouragement for living while waiting with patient endurance.

On another note, this Sunday is also the last day for making donations for the CHAP/Share the Table Thanksgiving ministry to our community. This year, due to COVID, the donations will be used to provide gift cards to Harris Teeter for families to purchase a Thanksgiving meal. You can donate directly to Share the Table, or you can write a check to our church and make the notation in the memo line, "CHAP/STT Thanksgiving." Thank you for your generosity toward this important ministry.

Please continue to be in prayer for Jean Hawley, who is recovering from recent surgery and is still having issues with regulating her blood pressure. Please also be in prayer for Frances, the sister of Ann Bryan, whose husband died yesterday. Pray for Ann and Willie as they travel to Georgia to be with Frances. Please refer to the prayer list inside this Messenger for many other prayer concerns.

May God bless us all and keep us safe as we wait for His perfect timing in all things.

Peace and blessings,

*Pastor David*

## JR. BASIC IS BACK!!!!

We will be offering this in the evening verses after church where more people are in the Building at that time. Also we will be maintaining social distancing through our time indoors together.

**Wednesday November 11th, 2nd and 3rd graders**

**Wednesday November 18th, 4th and 5th graders**

**I will need a head count. Space may be limited depending on the response of interest we get.** Please let me know as soon as you can if your child plans on attending on their night or if they plan on bringing a friend...which they are welcome to! We will be making this information available to the public.

## **What will our time at Jr. Basic will look like?**

-When Children arrive they will play outside on the playground. If raining they will meet in the narthex. Parents remain outdoors, wear a mask and social distance when dropping off your child.

-At 5:40 children will be called to wash their hands one at a time and line up six feet apart (it will be labeled with tape), we will say a prayer and one at a time the children will be called into the kitchen to retrieve their meal. They will then be directed where to sit. Where they will remain until excused.

-Once mealtime is over each area will be disinfected before we start our lessons and crafts.

-We ask that when parents come to pick up their children they remain outside the building in a line with a mask and six feet apart. We will bring your child out to you.

If you have any questions or concerns please reach out to me anytime.

***So looking forward to seeing all of those faces. How I have missed them so! God bless!***

I will need helpers to set up and tear down, to also help during the fair to help maintain safe distances, so I will be having a meeting with all those interested in helping the week before the fair.

## Faith Activity Nutrition (FAN) Spotlight

I had the privilege of working with Melissa Schleinkofer and the children Wednesday evening during Jr. BASIC. Friends, she has embraced the FAN program completely. FAN encourages us as a church to incorporate healthy foods into our meals. The children had vegetable spaghetti (the spaghetti included 25% vegetables) and meatballs, fresh vegetables with ranch dip, applesauce and garlic bread. Their meal with nutritious, delicious and beautiful to the eye! The children also enjoyed a mini cupcake and small cup of ice cream! Great job, Melissa!

Let's all strive to incorporate healthy alternatives to our meals and step up our exercise!

Have a great week, friends!

Kim King
