

MESSENGER JANUARY 2021

Open your heart at Christmas and not for just one day. Open your heart at New Years and let the beautiful feeling stay through the year.

For caring generosity and love we treasure through the year, don't wait until Christmas 2021 to share it with those you know and hold dear. Share it all year!

Happy New Year to One and All!!

Some THANK YOU MESSAGES TO SHARE....

To all of Faith Harbor UMC,

Thank you for the Christian love and kindness your congregation shows my brother, Tom Bradford. When we speak by phone he always tells me how much he loves his church family. Your kindness to Tom is very much appreciated.

Peace in Christ,

Vicki, Tom's Sister

Dear Faith Harbor Friends and Family,

Thank you for the wonderful love offering 2020 which I received this past week.

Your love, generosity and support is very much appreciated. I look forward to serving God and Faith Harbor in the year 2021.

Thanks again,

Marion Shade, Facility Manager

Dear Faith Harbor Members,

I want to thank you very much for the nice love offering I received yesterday. As before I will purchase something that is special to me that will be remembered from the wonderful church family you are. For your love and support from year to year is very much appreciated. I look forward to returning to the office sometime in 2021 to resume the work of God in the house of God and the community it serves. You all have been a blessing to me since 2009 and I look forward to serving God at Faith Harbor in the year to come.

Again, Thanks and Blessings to you in 2021.

Pastor David sent a separate e-mail this morning with a wonderful New Year's Message for us.

If you did not receive this e-mail let Judy know and she can send you the e-mail.

Thank you, David for the message and enjoy your time with family in Texas and we pray for a safe trip home for you and Kim.

A FOCUS FOR 2021.....

As breath is to the body, prayer is to the soul.

I called upon thy name. O Lord....hide not thine ear at my breathing.

Lamentations 3:55,56

Some might consider prayer to be optional exercise, but in fact, prayer is vital to spiritual health. It is a channel of communication that must be kept open-unclogged and free-flowing at all times. If we deny our souls their "recommended daily allowance" of prayer, we will, over time, damage a precious and vital part of our relationship with God.

Prayer is rising up and a drawing near to God in mind, and in heart, and in spirit.

Draw near to God and He will draw near to you. James 4:8

The key to ultimate fellowship with God lies in prayer.

Let's remember in prayer this first day of 2021 those in our church family that lost a loved one in 2020. *May God grant them peace and comfort in this year ahead.*
